Silver Medal

Appearance: Clear amber, clean, and transparent.

Nose: Prominent aromas of citrus, particularly orange, with underlying notes of pepper, licorice, and a hint of fresh herbs.

Palate: Initially sweet and smooth, the spirit develops a balanced acidity that complements its fruity and peppery notes, though it could benefit from more complexity to fully deliver on the promise of its aroma.

Overall Impression: A clean and elegant spirit with a pleasant nose, but its palate, while sweet and smooth, lacks the intensity and complexity needed to achieve true balance and character.

The provided feedback is a compilation of the notes and comments written by the Spirits Selection judges during the tasting sessions.
